Welcome to the 2024 Camping Season!

We want to wish a warm welcome to all campers, both new and old. We are trying something new this season by creating a monthly campground newsletter. The purpose of this newsletter is to keep you all informed and to bring everyone together. We will use this newsletter to share fun facts, special events, reasons to celebrate, local happenings, featured campers/campsites, recipes, and much more. We welcome any suggestions you might have for inclusion in this newsletter and hope you find it fun and informative. **Happy Camping!**

FUN FACTS

Circle K Campground has a wealth of wild grown yummy edibles. Some examples include blackberries, raspberries, wild plums, mushrooms, and even asparagus. A few campers have discovered these wild grown pastures on their own over the years. Those who know guard their treasure heavily. Looks like you'll have to find them all on your own.

RECIPE OF THE MONTH

Crock Pot Italian Sausages

Recipe courtesy of Shannen Robbin, site 56

Serves 4 to 6

Ingredients:

- 2 packages of Italian sausages
- 2 green peppers
- 1 large Spanish onion
- 1 large can of Hunt's spaghetti sauce
- Various seasonings: garlic powder, onion powder, seasoned salt, pepper, and sugar.

Preparation and Cooking:

- Sear the sausages on both sides.
- While searing, cut green peppers and onions in strips.
- Place a layer of sausages in the crockpot.
- Place a layer of peppers and onions in the crockpot.
- Place a layer of Hunt's canned spaghetti sauce, seasoned with garlic powder, onion powder, seasoned salt, pepper, and sugar (all to taste).
- Repeat layers until all ingredients are used.
- Cook on high heat. The longer the sausages cook, the better the flavor! Yum!

The best part of this recipe is its versatility. You can plate this over pasta if you are feeling fancy. Or you can toast some hoagie buns over your campfire, add a little mozzarella, and have an Italian Sausage Sandwich.
